Brazos Valley Gives is 18-hours of on-line giving that brings the region together on one day and as “one community” to raise critical funding and awareness for nonprofit organizations throughout the Brazos Valley. Powered by the Community Foundation, Brazos Valley Gives provides citizens and businesses an easy platform to support the mission and “good works” of local nonprofit organizations that serve the Brazos Valley. Last year, 136 nonprofits participated with 100% of the nonprofits receiving a financial benefit from the \$801,462 that was raised. Also, participating nonprofits were eligible for over \$30,000 in prizes that were awarded during our post-celebration event.

On the reverse side, you will find the names of 154 nonprofits from 6 of the 7-counties within the Brazos Valley that are participating in 2021 Brazos Valley Gives. This community day of giving empowers individual donors and business leaders to come together to support causes close to their hearts – and where a small donor can feel just as important as a large donor. This day of “**giving where you live**” is *powered by the Community Foundation*, and **all donations pass-thru directly to the donor’s charity(ies) of choice.**

EARLY GIVING BEGINS ON SEPTEMBER 19.
